CYBEX®

The all new EAGLE® | NX

TORSO ROTATION

15-piece strength line featuring restyled aesthetics, refined movements, and reimagined user features designed to provide all users with progressive training options.

FEATURES

1. Dual Angled Foot Pegs and Thigh Pads: Stabilize hips and legs, ensures proper torso movement, and maintains spinal alignment.

2. 17 Starting Positions: Provided every 10-degrees in each direction for user comfort and exercise goals.

3. Top Pivot Design: With a fixed lower body allows the head to lead and trains the torso muscles used in daily activities.

USER AMENITIES

4. Placards: Review proper set-up, movement and muscles trained. QR codes provide access to step-by-step videos demonstrating correct form and multiple exercise options.

5. Smartphone/tablet holder: Your mobile device is safe and secure with our adjustable clip, designed for all smartphones and tablets. Simply clip in and go.

6. Water bottle/towel holder: Keep your water and towel in arm's reach with our convenient water bottle and towel holder, standard on every Eagle machine.

Visit our website for instructional videos on standard and advanced movements.
